The Church is Heaven's Colony on Earth.

The Church is searching for a foundation and definition of purpose. Christian believers worldwide struggle to find their mission amidst a culture torn with moral controversy—shattered by its own failures. Time honored traditions are quickly fading into history. How can this world-weary community raise their vision to become world-changers?

Liberation Front answers these core questions with biblical clarity and hope. It is a timeless message that gives a triumphant context through the ages. Providing a framework for how to live in community together, it resurrects its biblical commission. It tells the inspiring story of the power of the Church and the beauty of its eternal directive. The Church is a liberation front.
