## **Miss Coffin and Mrs. Blood: Poems of Art and Madness** Sandy Diamond

*Miss Coffin and Mrs. Blood* are attendants in a mental institution. In and out of hospitals, a young manic-depressive artist gives us an insider's view of madness. In rough-hewn visual language, Sandy Diamond carves her journey from the abyss - broken back, shattered memory, paper shoes - to the artist thirty years later "walking on air." The way is studded with hunchbacks and painters, lovers and healers. The narrator's passion for and allegiance to art makes *Miss Coffin and Mrs. Blood* a love story. When the artist rides the subway, impasto and glaze cover her fellow passengers. The names of oil colors ooze with sensuality; kitchen receptacles serve as palettes "until everything tasted of Mars Violet and Viridian." Beneath the literal story of *Miss Coffin and Mrs. Blood* seethes everyone's story - as we fight what is oppressive to the body and the spirit, as we redeem what was lost, we strive to be the authors of our lives.
