Contemporary U.S.-Latin American Relations: Cooperation or Conflict in the 21st Century? (Contemporary Inter-American Relations)

Contemporary U.S.-Latin American Relations: Cooperation or Conflict in the 21st Century? (Contemporary Inter-American Relations)

Drawing on the research and experience of fifteen internationally recognized Latin America scholars, this insightful text presents an overview of inter-American relations during the first two decades of the twenty-first century. This unique collection identifies broad changes in the international system that have had significant effects in the Western Hemisphere, including issues of politics and economics, the securitization of U.S. foreign policy, balancing U.S. primacy, the wider impact of the world beyond the Americas, especially the rise of China, and the complexities of relationships between neighbors.

The second edition of *Contemporary U.S.-Latin American Relations* focuses on U.S. neighbors near and far—Mexico, Cuba, Argentina, Brazil, Chile, Colombia, Peru, and Venezuela. Each chapter addresses a country's relations with the United States, and each considers themes that are unique to that country's bilateral relations as well as those themes that are more general to the relations of Latin America as a whole. The book also features new chapters on transnational criminal violence, the Latino diasporas in the United States, and U.S.-Latin American migration. This cohesive and accessible volume is required reading for Latin American politics students and scholars alike.
