What truly is behind the astrology of romantic relationships? With these tools, you'll finally be able to measure more accurately the complex forces that shape character and personality, and draw people together...or pull them apart. Beginning with the Sun sign and going beyond, this astrological love guide explores more unfamiliar celestial territory. The Moon speaks eloquently about emotions, Venus reveals a person's requirements for romance, and Mars points to propensities for physical passion. Lists for each sign feature spiritual goals, positive and negative characteristics, likes and dislikes, and much more. Find out in detail just what your horoscope says about you—and what your partner's reveals. It's a great way to chart—and make—a love connection.
