Selected Prose & Poetry

Mikhail Kuzmin

Selected Prose & Poetry Mikhail Kuzmin

Few writers faced greater fame or notoriety during the Soviet period than Mikhail Kuzmin, known as the “Russian Oscar Wilde.”

He was an avowed homosexual, and his progressive debut novel *Wings*, the first gay-themed book to be published in Russia, created a scandal when released in 1906. But his open lifestyle made writing increasingly difficult for him under Stalin’s regime, and his works were not reprinted for over forty years.

Presented in this essential collection are the novel *Wings*; the play *The Venetian Madcaps*; thirteen short stories; and two major poetic cycles, including the acclaimed *The Trout Breaks the Ice*.

This anthology exhibits the high level of craftsmanship for which Kuzmin was valued by so many leading writers of his time, including Mandelstam, Akhmatova, Pasternak, Mayakovsky, Meyerhold, and Blok.
