Judaism, I was led to think that it would be better to adopt a method of treatment different from that of previous writers on the subject. After some hesitation, therefore, I concluded to arrange my material in the form of a series of, biographies, this arrangement being best adapted for emphasizing alike both the bright and dark sides of the lives to be presented. Mankind, in general, seems to show itself in the most favorable light when sustained, in suffering, by some degree of intellectual power; and to this rule woman forms no exception. The Talmudic period, however, so far as concerns women, is, perhaps, the richest within the entire domain of history.
