The Mom's Guide to Asperger Syndrome and Related Disorders

Jan Johnston-Tyler

The Mom's Guide to Asperger Syndrome and Related Disorders Jan Johnston-Tyler

Drawing its credibility from the author's personal experience both as the mom of a son with Asperger Syndrome and her study of and work with children and adolescents with special needs, this book is especially helpful during the preschool through elementary school years. No stone is left unturned as the author explains, in a friendly, familiar voice, situations and issues that all parents with a child with AS will encounter. As such, the book arms parents with basic, sound information, empowering them to seek out the very best services and programs for their child. The book is written primarily for parents of children newly diagnosed with Asperger Syndrome.
