## **What Do You Believe Really!** Harriett Denson

Families should start to form again, women don't have sex with men unless they are in a relationship with them or married. Young women understand that your bodies are a precious gift, don't give it away easily to any man that asks. Men be more respectful of young women and not see them as conquests but wives and mothers of your children. Because you have hundreds of thousands of dollars in the bank doesn't mean anything if people are starving, homeless, and destitute, that doesn't make you rich, it makes you greedy, stingy and pathetic. The Bible says in Luke 12:15, And He said to them, "Take heed and beware of covetousness, for one's life does not consist in the abundance of the things he possesses." The major belief systems are included in this book, so you may finally have an understanding about the basics of these religions and not fear or hate any religion. That is what this country is based on - free to believe whatever you want. I just want you to believe in a deity to have a value and moral system. Our young people are disrespectful to themselves and each other. The enemy has waged a war against our children and seniors and we have to do something or the society is going to get worse. Open your mind and your heart as you read this informative book and make a conscientious decision to change your world, we can do this one family at a time.
