## **Asian Pacific Americans and Baseball: A History** Joel S. Franks

With the rise of stars such as Hideo Nomo, Ichiro Suzuki, and now Daisuke Matsuzaka, fans today can easily name players from the island country of Japan. Less widely known is that baseball has long been played on other Pacific islands, in pre-statehood Hawaii, for instance, and in Guam, Samoa and the Philippines. For the multiethnic peoples of these U.S. possessions, the learning of baseball was actively encouraged, some would argue as a means to an unabashedly colonialist end.

As early as the deadball era, Pacific Islanders competed against each other and against mainlanders on the diamond, with teams like the Hawaiian Travelers barnstorming the States, winning more than they lost against college, semi-pro, and even professional nines. For those who moved to the mainland, baseball eased the transition, helping Asian Pacific Americans create a sense of community and purpose, cross cultural borders, and--for a few--achieve fame.

#### Brenda Nunez:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Asian Pacific Americans and Baseball: A History can make you feel more interested to read.
