Hello fellow crocheter!

It's Anna Cross again and I've brought for you another marvelous selection of DIY crochet projects for you to master! For this book, our theme is The Seasons Of The Year. Every season is filled with wonder and memories out here on the East Coast. Spring training for baseball in Florida is one of my me and my husband's favorite traditions. In the Summer we welcome the heat by the New Jersey Shore. Autumn brings wine tastings and pumpkin spice home in Pennsylvania. And in the calm of Winter our families get together in Maine for our yearly getaway from the bustle of the city.

With "Crochet Books: 20 Crochet Patterns And Projects For Each Season", I've compiled a collection of some beautiful projects so you'll be able to create chic looks for yourself and loved ones! Use them as new gifts, surprises, accessories, and everything in between as you create new memories each year. Whether you're looking for something classic, yet simple, or for stand out pieces, we've kept you in mind. This book is filled with some of the most captivating crochet creations around! Take your pick from any one of these when you're looking for your next project for this season or the next.
