One evening, while watching an athlete with a broken collar bone, they were again discussing the incredible stories of endurance and hope over coffee. An idea started taking shape and was pitched to Ironman South Africa. Never in their wildest dreams did they think that anyone would share their excitement and encourage them to pursue their dream. Dividing responsibility came naturally as Marietjie was well versed in Research methodology, having obtained her PHD. Elzabe, who also professionally proof reads for Masters students at university, took on the role of Main Writer of The Heart of an Ironman, South Africa.
