Vampire - In the Beginning, is the first in a new serial of novellas detailing the life of Gwen, a 500 year old vampire. The 'Vampire' series begins in Tudor England and continues through each novella until present time. EXTRACT FROM VAMPIRE - IN THE BEGINNING 'Tom's mother Martha was sprawled across the large kitchen table, her clothes ripped, and in places, torn completely away; her ageing breasts fell from her laced bodice, flaccid and drooping to the sides of her lifeless body. Her legs were at a strange angle, and her skirts bunched up into a ball at her waist. I could see, even from where I was standing, that she was dead! Martha's eyes were open, staring into nothingness and devoid of life, but it was her throat that caught my attention, it gaped open, and it looked like, what I imagined, the huge black cavern of hell to look like.'
