## **Charlie Bradford** R. Benjamin Jordan

Charlie Bradford wanted to be a Denver policeman since he was a child. He wanted to be just like his grandfather who was a retired police captain. Charlie devoted all of his energy, and efforts towards that goal. He worked through his childhood missteps, his teenage tribulations, and finally graduated from the police academy. He experienced a personal tragedy, a family crisis, and the rigors of police work. As a result he realized his life was not full, or satisfying, and then someone from the past changed all that. Could he handle it?
