Classical Ethics: East and West

Robert B. Zeuschner

Classical Ethics: East and West Robert B. Zeuschner

Classical Ethics is a thorough and well-balanced compendium of Western and non-Western ethical systems in a multicultural historical framework.

Zeuschner focuses on the key concepts and presumptions of 13 major philosophers from around the world. He utilizes a systematic approach in his writing that describes the basic components of each system and discusses how each has maintained its appeal for so many centuries. In this text, Western tradition is represented by major classical figures: Socrates and Plato, Aristotle, Epicurus, St. Augustine, Aquinas, Butler, Hume, Kant, and Mill. Eastern ethical tradition is represented by Indian Buddhist ethics, Chinese Confucian ethics, and Chinese Taoist ethics of Lao-tzu and Chuang-tzu.

This work broadens a student's perspective and enriches one's understanding of ethical principles as they occur and have developed historically in different cultural contexts.

Robert Zeuschner teaches Philosophy at Pasadena City College. He received his Ph.D. in Asian and Comparative Philosophy from the University of Hawaii at Manoa and has taught at Occidental College, University of California, University of Southern California, and several Hawaiian institutions. He has published translations of Chinese Buddhist texts and numerous articles in philosophical journals. Dr. Zeuschner also has many interests, including collecting rare books and art, playing acoustic guitar, and studying Zen gardens.

That book will bring you within new era of the syndication. You can read the e-book on your smart phone, so you can read it anywhere you want.

Jane Moore:

In this particular era which is the greater man or who has ability to do something more are more important than other. Do you want to become one among it? It is just simple strategy to have that. What you must do is just spending your time little but quite enough to enjoy a look at some books. One of several books in the top collection in your reading list is definitely Classical Ethics: East and West. This book which is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upwards and review this book you can get many advantages.

Garry Brown:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Classical Ethics: East and West can make you sense more interested to read.
