Daredevil Club (Orca Currents) Pam Withers

Kip's only friends are the members of the Daredevil Club, a club whose mission is to complete seven dangerous dares before their rivals, the Wildmen, complete their list of dares. Before the cliff diving accident in which he lost the use of his leg, Kip had been the leader of the Daredevil club. Now he has difficulty completing the dares and suspects that his membership is threatened. As the daredevils plan their final stunt, a dangerous climb along a narrow steel shelf beneath a bridge, they try to convince Kip that he may not be up to the task. Kip refuses to back down even though he suspects his friends might be right.
