Dog in the Dugout is part of the Softball Star series, inspiring sports books for preteens about girls who love playing softball and baseball.

Fifteen-year-old Angel Williams has wanted a puppy for all of her life, so she is ecstatic when her dad finally agrees she can get one - but only on one condition. She has to hit a home run in her softball game later in the day. Much to Angel's delight, she does, and she is rewarded with an adorable chocolate Labrador named Homer. Homer becomes her team's mascot and he leads them on their quest to win the state championship. But when Homer is injured in a freak accident, can Angel and the rest of the team continue without him?

All of the books in the Softball Star series are standalone stories that may be read in any order, suitable for ages 12 and up.
