Emma: An Annotated Edition

Jane Austen

Emma: An Annotated Edition Jane Austen

Emma, perhaps the most technically accomplished of all of Austen's novels, is also, after *Pride and Prejudice*, her most popular one. Its numerous film and television adaptations testify to the world's enduring affection for the headstrong, often misguided Emma Woodhouse and her many romantic schemes. Like the previous volumes in Harvard's celebrated annotated Austen series, *Emma: An Annotated Edition* is a beautiful and illuminating gift edition that will be treasured by readers.

Stimulating and helpful annotations appear in the book's margins, offering information, definitions, and commentary. In his Introduction, Bharat Tandon suggests several ways to approach the novel, enabling a larger appreciation of its central concerns and accomplishments. Appearing throughout the book are many illustrations, often in color, which help the reader to better picture the Regency-era world that serves as the stage for Emma's matchmaking adventures.

Whether explaining the intricacies of early nineteenth-century dinner etiquette or speculating on Highbury's deliberately imprecise geographical location, Tandon serves as a delightful and entertaining guide. For those coming to the novel for the first time or those returning to it, *Emma: An Annotated Edition* offers a valuable portal to Austen's world.

From reader reviews:

Jesse Linder:

Reading a book to become new life style in this yr; every people loves to learn a book. When you learn a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. In order to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and also soon. The Emma: An Annotated Edition offer you a new experience in reading through a book.

Evelyn Blow:

Is it you who having spare time then spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Emma: An Annotated Edition can be the solution, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Robert Franco:

With this era which is the greater man or who has ability in doing something more are more important than other. Do you want to become certainly one of it? It is just simple solution to have that. What you should do is just spending your time almost no but quite enough to enjoy a look at some books. Among the books in the top record in your reading list is usually Emma: An Annotated Edition. This book that is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upward and review this publication you can get many advantages.

Emery Flores:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Emma: An Annotated Edition can make you truly feel more interested to read.
