Corinth, a diverse, cosmopolitan city sitting at a strategic center of commerce for both Greece and the wider Roman Empire, was known for its decadence and wealth. In his commentary on 1 and 2 Corinthians, Chuck Swindoll explores how Paul took the Corinthian church to task for taking on the character of the city instead of the character of Christ. As Chuck shows, the message of Paul to the Corinthians is greatly needed by the Church today.

The 15-volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award-winner Chuck Swindoll's 50 years of experience studying and preaching God's Word. His deep insight, signature easygoing style, and humor bring a warmth and practical accessibility not often found in commentaries.

Each volume combines verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. The newly updated volumes now include parallel presentations of the NLT and NASB before each section. This series is a must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.
