Each workbook begins with a federal section with exercises that give students practice researching federal cases, statutes, regulations, and procedures. The second part of each regional workbook will feature state-specific exercises for that region. For example, the South Central Region will include state specific exercises for Arkansas, Louisiana, Oklahoma, and Texas. The regional divisions correspond with the states represented by AAFPE regions - North Central, Pacific, South Central, Northeast and Southeast. In addition to federal research exercises, this South Central Region workbook includes state-specific assignments for Arkansas, Louisiana, Oklahoma, and Texas. State exercises include those on common types of laws, regulations, and case law in each state.
