Forget Mr Married: How to break free from this toxic relationship and reclaim your life Sally Webb
You've met the most beautiful man for you - he is everything you've ever wanted in a man.

You belong together...

But he belongs to someone else (legally too).

He's made you feel like you're the one, the only love he has ever dreamt of...but yet you are still sharing him with somebody else!

You KNOW that if he loves you, he will make you the happiest woman in the world...NOT cry, hurt, feel used, or have to suppress your vulnerable emotion just to share his married ass with someone else he VOWED to be forever faithful to.

... but that's the LOGIC.

... and your EMOTION is trapped.

You LOVE him. And no matter how toxic and painful this relationship can get, you hang on! You keep questioning yourself: "What if he REALLY is different?" "What if his excuses are ACTUALLY valid?" "What if he REALLY is on the road to end his marriage for you?"

In this easy-to-read empowering book, prepare to 'hear' the answers that you may not want to hear and to be brought out of the "toxic-love fantasy land" to face the reality you may NOT want to face.

But most importantly, prepare for a change (a positive one)... Your heart will be set free of guilt, shame, constant pain- You can finally be ready to strive for the real love you truly deserve.
