## **Heist (Volume 1)** Laura Pauling

Can one decision change the past? Jack Brodie has a sixth sense that someone has been watching him. Following him. One night he travels back in time to one of the world's largest art heists, the Gardner Museum Heist. Why that one moment in time? And what does it mean for Jack? When he returns, his world is different. His best friend is rougher, meaner. His dad hasn't been around in years. And then there's Jetta. The girl who took over his heart the moment she stepped into his life. No one is safe. Each time Jack goes back to the heist to fix his mistakes, he returns to face the fallout. Disaster strikes in the present until Jack must make a choice. His family and his own happiness. Or the girl he loves. Except, he learns that his sixth sense was right. Someone has been watching him and wants him dead.
