**Mom Rules: Notes on Motherhood, the World's Best Job** Jill Milligan

**A response to all those sappy mommy books with flowers and puppies on the cover.**

Jill Milligan, mother of two, has set her sights on the joys and stresses of motherhood. Unlike other mommy books, though, *Mom Rules* is a hilarious book for the hip, twenty-first-century mom who can use a laugh (if not a drink) at the end of another trying day with her kids. Practically any woman can become a mother—but it takes a certain amount of creativity, humor, and cracking the book on discipline to be the best mom out there and to establish Mom Rules.

Whether you're a stay-at-home supermom who has to juggle softball practice, poopy diapers, and trips to the dry cleaner's, or an Internet-dating single mom battling with two hormone-driven teenagers, this book offers useful insight and wise words on how to embrace the world's best job.

Throughout this book, Jill explores the various stages of motherhood—from announcing a pregnancy to late-night feedings to second-child syndrome to empty nesting—and provides comical anecdotes and sound advice on how to survive your teenage daughter's dating outfits and your young son's potty mouth.

*Mom Rules* is the guide for the moms in your life—for Mother's Day, for her birthday, upon the birth of her first child (or second, or third . . .), or just for her to read and laugh out loud over while parked and waiting in the school carpool lane.
