More Songwriters on Songwriting Paul Zollo

The long-awaited sequel to *Songwriters on Songwriting*, often called "the songwriter's bible," *More Songwriters on Songwriting* goes to the heart of the creative process with in-depth interviews with many of the world's greatest songwriters. Covering every genre of popular music from folk, rock 'n' roll, Broadway, jazz, pop, and modern rock, this is a remarkable journey through some sixty years of popular songwriting: from Leiber & Stoller's genius rock 'n' roll collaborations and Richard Sherman's Disney songs to Kenny Gamble's Philly Sound; Norman Whitfield's Motown classics; Loretta Lynn's country standards; expansive folk music from Peter, Paul, and Mary; folk-rock from Stephen Stills; confessional gems from James Taylor; poetic excursions from Patti Smith; Beatles magic from Ringo Starr; expansive brilliance from Paul Simon; complex melodic greatness from Brian Wilson; the most untrustworthy narrator alive in Randy Newman; the dark rock theater of both Alice Cooper and Rob Zombie; the sophisticated breadth of Elvis Costello; the legendary jazz of Herbie Hancock; the soulful swagger of Chrissie Hynde; the funny-poignant beauty of John Prine; the ancient wisdom fused with hip-hop and reggae of Matisyahu; and much more. In all of it is the collective wisdom of those who have written songs for decades, songs that have impacted our culture forever.
