**The Technology of Ancient India (Spotlight on the Rise and Fall of Ancient Civilizations)** Gina Hagler  
Were smartphones and video games used in the Indus Valley Civilization, the Maurya Empire, and the Gupta Empire? Maybe not, but just because they were ancient peoples does not mean they didn't have sophisticated technology for the time. This volume examines the developments that allowed the progression and improvement of ancient India and connects them to technological innovations throughout the ages and today. Featuring engaging text, rich and colorful illustrations, and an enhanced e-book option, this title is a valuable resource for researching school reports.
